

# Child and Teen Checkups

## WHO ARE THEY FOR?

Patients from birth—20 years

## WHAT DO CHECKUPS INCLUDE?

- Immunizations
- Hearing/Vision Checks
- Lab Tests
- Head to Toe Physical Exams
- Time to Discuss with your Provider
- Information about Mental and Physical Health

## HOW OFTEN SHOULD MY CHILD RECEIVE A CHECKUP?

- Between birth-one month
  - 2, 4, 6, 9, 12, 15, 18, 24, & 30 months
  - Every year aged 3-20 years

## HOW DO I SCHEDULE A CHECKUP?

Children and teens enrolled in a health plan must receive their checkups from providers in their network.

Medical Assistance covers the cost of  
Child and Teen checkups.
