

**Job Title: Summer Outreach Assistant (Non-Profit Public Health Program)****Schedule:** Part-time, variable schedule, 15-20hrs/week including evenings & weekends**Location:** Various community sites and events across NE MN and NW WI**Position Type:** PT Temporary Position (not benefits eligible)**Compensation:** \$20-\$25/hr. based on experience

---

**About the Position**

Wilderness Health is seeking a motivated and personable **Summer Outreach Staff** to support our public health initiatives during the busy summer season. This role is ideal for someone who enjoys engaging with community members, representing an organization at public events, and making a positive impact on local health and wellness.

***Position to run from Memorial Day - Labor Day.***

---

**Key Responsibilities**

- Represent Wilderness Health at community events, fairs, and outreach activities throughout the summer.
- Engage community members in conversations about public health topics, programs, and available resources.
- Set up and break down outreach booths, displays, and educational materials.
- Distribute informational materials and answer basic questions about programs and resources.
- Assist staff in collecting outreach data, surveys, and participant feedback.
- Maintain a professional and positive presence while interacting with diverse populations.
- Support additional outreach or administrative tasks as needed.

---

**Qualifications**

- HS Diploma + 5 years work experience
- Hiring upon cleared background study and clean driving record
- Personable, approachable, and comfortable initiating conversations with the public.
- Interest in public health, community engagement, or non-profit work.
- **Reliable transportation** to travel to events and outreach sites.
- Ability to work **evenings, weekends, and occasional holidays** as required by the event schedule. ***-the majority of the work will be evenings, weekends and occasional holidays***
- Strong communication skills and a population health mindset.
- Ability to lift and transport outreach materials (up to ~25 lbs) preferred, sometimes over uneven ground.
- Previous outreach or population health experience is a plus but not required.

---

**What We Offer**

- Hands-on experience in community health outreach.
  - A supportive team environment and opportunities to develop communication and engagement skills.
  - Training in public health messaging and community interaction techniques.
  - \$20-\$25 Hourly wage based on experience
  - Earned Safe and Sick Leave (ESST)
  - Mileage reimbursement to and from events
-
